FOR IMMEDIATE RELEASE

Ben Mynatt Children's Foundation working towards the next Million!

Concord, NC: The 2023, 22nd Annual Ben Mynatt Children's Foundation Golf Classic was held in late September. Reaching a 20-year goal of giving away \$1,000,000 to Cabarrus County children's charities in 2021, the organization is on its way to distributing their next million! After reviewing dozens of grant requests from many worth organizations, the BMCF Board recently hosted an awards breakfast to distribute another \$46,000 to 14 children's charities based in Cabarrus County.

Founded in 2002 in honor and memory of local businessman Ben Mynatt, the organization provides financial assistance to non-profits whose missions seek to improve the lives of physically, mentally, or economically disadvantaged children of Cabarrus County.
